MIAMI CONDO LIFESTYLE

Wellness meets home in the heart of Coral Gables.

Situated in the heart of a vibrant destination neighborhood, Coral Gables, Cora is designed to effortlessly uplift and center your lifestyle. From the freshness of the air you breathe, to the textures under your touch, the natural light that fills each room, the soothing sounds, and the effortless flow of each space — every detail is thoughtfully designed to foster a sense of balance and wellness. A healthy home is more than just a structure — it's an environment built to actively promote the health and well-being of its residents.

Every aspect of Cora enhances vitality and promotes a harmonious lifestyle. Inspired by the Mediterranean's vibrant yet serene lifestyle — effortlessly social, health-conscious, and charmingly laid-back — Cora is the epitome of refined living in Coral Gables. Moments away from Shops at Merrick Park's renowned offerings, Cora seamlessly blends sophistication and a harmonious lifestyle. Nestled within a neighborhood already blessed with European architectural charm, Cora infuses this beloved enclave with a fiercely passionate, deeply caring, and unwaveringly committed new soul.

Welcome to Cora.

The charismatic heart of a destination neighborhood.

Charming, relaxed and stylish, Coral Gables draws people to live here but also to visit and soak up its renowned shopping and lifestyle attractions. Follow the tree-lined streets passing Spanish-inspired architecture, statues and fountain features, and you'll find yourself at Shops at Merrick Park, a haven of cafés, bars, flagship luxury stores. Cora brings a new dimension of passion to the center of Coral Gables.

A generous new park filled with trees, plants, light, shade, and art has been thoughtfully designed to foster a relaxed, sociable pace of life. Providing a fresh heart to the neighborhood, the park connects seamlessly to the adjacent Shops at Merrick Park, where a vibrant array of al fresco dining and shopping options are just moments away.

Everything walkable, accessible, effortless—Cora embodies a life-loving soul.

way of living.

MIAMI CONDO LIFESTYLE

Lamarca Well weaves wellness into every detail.

Every element of Cora has been crafted to enhance your daily life, from advanced air filtration and water purification to biophilic design that seamlessly connects you to nature. Amenities like the yoga terrace, sauna, steam room and cold plunge offer moments of restoration, while expansive indoor and outdoor activity spaces like the fitness center and padel court encourage movement and connection. Cora seamlessly expands on Lamarca Well's expertise in crafting spaces that nurture vitality and longevity, redefining the art of wellness living. Thoughtfully designed features like red light therapy and temperature optimization enhance energy, reduce inflammation, and promote deep, restorative sleep.

Cora is more than a home—it's a lifestyle that celebrates balance, connection, and a healthier way of living. From wellness-focused retail spaces to communal areas designed for both activity and relaxation, Cora invites you to thrive in every way.

To bring this vision to life, Constellation and The Boschetti Group have partnered with Lamarca Well as Cora's dedicated wellness consultants. With their expertise, Cora is set to become one of the first WELL-certified residential buildings in Coral Gables, seamlessly integrating wellness into every aspect of

Lamarca Well is a leading lifestyle wellness brand in Spain, offering tools and resources to help individuals lead healthier lives. Based in the iconic Lamarca building, a residential development transformed in 2018 by their wellness concept that shares its name, the flagship is home to a healthy café, a wellness shop, and the Tracy Anderson Method fitness studio. It also serves as a vibrant community hub, hosting events, workshops, and conversations with leading experts.

Building on its established expertise in wellness and community-centered living, Lamarca Well expanded its mission into transforming homes through Wellness Real Estate in Portugal and Miami.

Lamarca is thrilled to bring their vision to Coral Gables, a neighborhood that has long embraced European architecture and design influences. Cora will add a fresh dimension to this legacy by integrating a holistic approach to health and well-being, inspired by Europe's slow-paced, health-conscious lifestyle, which has nurtured some of the world's longest-lived citizens. Designed to promote longevity and well-being, Cora will enhance the quality of life for both its residents and the surrounding community.

A place where beauty,
community and well-being
unite in perfect harmony.

Designed by the renowned Arquitectonica, with interiors by the acclaimed Urban Robot, Cora is a refined blend of modern Mediterranean sophistication and everyday luxury. Unparalleled in comfort and exceptional in design, it is imbued with a perfect balance of softness and precision, standing as both a sanctuary of serenity and a striking landmark—a place where beauty, community, and well-being unite in perfect harmony. The exterior of Cora is a masterful fusion of Coral Gables' timeless Mediterranean charm and contemporary refinement. Classic bronze accents, textured stucco, and oolite stone combine with graceful traditional columns to evoke a sense of heritage, while floor-to-ceiling windows inject a

This seamless blend of past and present is not just architecture—it's an invitation to experience the best of both worlds. Cora is envisioned to create a residence that flows effortlessly into the vibrant pulse of the Shops at Merrick Park, enriching the symbiotic relationship between home and community. A lush 5,000-square-foot park at the southern edge of the property brings nature into the heart of the space, offering a serene retreat that beautifully connects Cora with Shops at Merrick Park itself, enhancing the sense of togetherness that defines this neighborhood.

MIAMI CONDO LIFESTYLE

Inspired by European elegance, the design of Cora integrates natural materials and abundant greenery, with biophilic elements thoughtfully woven throughout the property. This commitment to wellness fosters a sense of peace and balance, creating a space that is not only visually stunning but profoundly restorative.

Architecturally designed to support a dynamic, sociable, and effortlessly relaxed lifestyle, Cora is the ultimate expression of craftsmanship, connection, and care. But above all, Cora is a place where you'll always feel at home —an exquisite sanctuary designed just for you.

MIAMI CONDO LIFESTYLE

The expertise behind anchoring the building in its surroundings.

Creating a development of this refinement demands more than just a team—it requires a family spirit. The seamless collaboration between Constellation Group, The Boschetti Group, and Arquitectonica is founded on shared vision, trust, and a deep understanding of the intricacies of Coral Gables. Their combined skills, invaluable experience, and intimate knowledge of the area have been the driving force behind their success.

Together, they have delivered multiple projects throughout South Florida, including several exceptional developments right here in Coral Gables. With another project in Merrick Park nearing completion, their ongoing partnership serves as a testament to their proven track record and commitment to excellence, while reinforcing their ability to deliver high-quality, thoughtfully designed communities.
