Based dimensions measured to the exterior face of the exterior walls, or walls forming an exterior element, and to the centerline of exterior opening walls, and do not vary from the dimensions that would be determined by using the descriptive and notations of the "and" and "to" in the description, which generally only include the interior spaces between the exterior walls and exclude interior structural components and do not include a garage. All dimensions are approximate, and all floor plans and development plans are subject to change without notice. Dimensions may vary according to floor.
