Stated dimensions are measured to the exterior boundaries of the exterior walls, air walls bordering on common elements, and to the centerline of interior demising walls, and in each case from the dimensions that would be determined by using the descriptions and definition of the "unit" set forth in the Declaration, which generally may include the interior enclosure between the centerline walls and boundaries, interior structural components and as such should not be a simple measurement. All dimensions are approximate, and all floor plans and development plans are subject to change without notice. Terraces may vary according to floors.

Our representations cannot be relied upon as correctly stating representations of the developer. For correct representations, make reference to the purchase agreement and to the documents required by section 718.503, Florida statutes, to be furnished by the developer to a buyer or lessee. Not an offer where prohibited by state statutes.
