Stated dimensions are required to the exterior boundaries of the exterior walls, or walls forming an exterior element, and to the centerline of exterior opening walls, and do not take into consideration that would be determined by using the descriptive and technical of the "wall" and built in the building, which generally only include the interior spaces between the exterior walls and exclude interior structural components and do not include a wall thickness. All dimensions are approximate, and all floor plans and development plans are subject to change without notice. Dimensions may vary according to floor.
