<b>Total Residence</b>	<b>1,954 Sq. Ft.</b>

Shaded dimensions are measured to the exterior boundaries of the exterior walls and the centerline of interior dividing walls and in fact vary from the dimensions set forth as determined by using the description and definition of the "Unit" set forth in the Declaration (which generally only includes the interior space between the perimeter walls and excludes interior structural components). All dimensions are approximate, and all floor plans and development plans are subject to change.
